Listed on the JSE since 1998, Primeserv is a leading provider of integrated business support services through an integrated approach which aligns our customised service offerings to our clients' needs.

At Primeserv you always get so much more than you ask for. We make it our business to understand your business in order to deliver optimal service all the time. Our proprietary INT^{HR}GRATE™ services model facilitates an holistic approach to providing your business with the integrated business support services it needs. Our INT^{HR}GRATE™ approach starts with understanding your business strategy and structure, then considers your human capital strategy and selects the required support services and solutions which will enable you to achieve your business objectives.

Our proprietary client management process ensures that the Primeserv INT^{HR}GRATE™ model underpins our service offering to you, irrespective of whether you are currently requiring a comprehensive service or modular service component. This service is delivered at no extra cost to you, our valued client.
